

## Special Ed Committee Notes

What are the current issues?

- Behavior Management for autistic students
  - Recording the restraints
- Special Education Paperwork
  - Lack of training on how to complete
- Using the psychological evaluation to develop the IEP and for other paperwork
- Co-teaching
- Inclusive support for autistic students
- Advocacy for serving students
- Placement of students
  - Resources
  - District/State denies
  - Students misplaced
- Community Council
  - Not meeting the criteria

Professional Development Ideas...

- New Special Education teacher orientation
  - Paperwork
  - Inclusion
  - Coteaching
  - Advocating (servicing students)

- Restraint
- Programming and IEP writing for ED students

Notes:

- Questioned participants as to what PD times would be best (weekend, after school, summer) as well as where (city, school)
- Sharing the document with participants so that they can share and/or add more. We can also respond to them to keep the conversation going.
